Description

Offered to the market with No Onward Chain, this deceptively spacious three-bedroom mid-terraced home presents an excellent opportunity for a variety of purchasers, including first-time buyers looking to step onto the property ladder, growing families seeking additional living space, and investors attracted by the strong rental potential. With an anticipated rental income in the region of £700 PCM, the property offers an attractive gross yield of approximately 8.4% based on the asking price of £100,000.

Ideally positioned within easy reach of the town centre, the home enjoys convenient access to a wide range of everyday amenities, schooling and leisure facilities. Excellent transport links also make it a practical choice for commuters travelling to nearby centres including Durham and Darlington.

Externally, the property is approached via a front garden, while an access alleyway leads to the enclosed, low-maintenance rear garden, providing an ideal outdoor space for families, entertaining or simply relaxing.

Upon entering, a hallway provides access to the accommodation and stairs to the first floor. The generous dual-aspect lounge benefits from natural light flowing through from both the front and rear elevations, with doors opening directly onto the rear garden. The separate dining area offers a versatile family space and flows seamlessly into the fitted kitchen, which is equipped with a range of wall, base and drawer units, complementary work surfaces incorporating a sink and drainer, an integrated hob with oven beneath and extractor hood above, along with space for additional appliances. A rear lobby provides useful under-stairs storage and access to the garden.

To the first floor, the landing benefits from a handy storage cupboard and leads to three well-proportioned bedrooms, all offering comfortable accommodation. Completing the layout is the family bathroom and separate WC, adding further practicality for busy households.

Combining generous room sizes, a convenient location, excellent rental potential and the advantage of no onward chain, this is a property that should appeal to a broad spectrum of buyers and early viewing is strongly recommended.
